

## At SPE International NSW Australia Chapter Level

### Professional Diploma in Engineering (Level 1-Trade)

<https://www.highlightcomputer.com/iqyadministration/iqyadministration.htm#F201>

Course 201 Engineering Trade	
Civil	PC 1-Certificate in Bricklaying & Masonry
Civil	PC 2-Certificate in Plumbing
Civil	PC 3-Certificate in Building Construction
Civil	PC 4-Certificate in Gutter Construction
Mechanical	PC 5-Certificate in Fitting & Machining
Mechanical	PC 6-Certificate in Welding
Mechanical	PC 7-Certificate in Engine Operation & Basic Servicing
Mechanical	PC 8-Certificate in Air-conditioning & Refrigeration Basic Servicing
Electrical	PC 9-Certificate in Electrical Wiring
Electrical	PC 10-Certificate in Electrical Machine Winding
Electrical	PC 11-Certificate in Electrical Power Wiring & Switch Gear Installation
Electrical	(PC15/H102) Certificate in Basic Electronics & Telecommunication
Civil	PC16 Certificate in Rigging & Scaffolding
	PC Practical Course (Level 2 for Engineering Technicians)
Civil	PC 12-Certificate in Surveying. Quantity Surveying & Estimating
Mechanical	PC 13-Certificate in Manufacturing Process Control & CNC
Mechanical	PC 14-Certificate in Building Energy Efficiency
Electrical	Certificate III in Electrotechnology Electrician – <a href="https://www.thespeukinternational.org/PDAustralia.htm">https://www.thespeukinternational.org/PDAustralia.htm</a>
	The persons nominated by international professional or trade associations can also be accepted for assigning the membership grade

Outcome	Graduate (Trade) Member of SPE International NSW Australia Chapter-GradTrSPEInt
After having experience	Member (Trade) of SPE International NSW Australia Chapter-MTrSPEInt

### Professional Diploma in Engineering (Level 2-Technical/Paraprofessional)

<https://www.highlightcomputer.com/iqyadministration/iqyadministration.htm#F70>

Diploma / Advanced Diploma in Engineering	
Electrical	Professional Diploma in Engineering (Level 2) Technical in Electrical <a href="https://www.thespeukinternational.org/PDAustralia.htm">https://www.thespeukinternational.org/PDAustralia.htm</a>
Civil	Advanced Diploma in Civil Engineering <a href="https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm">https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm</a>
Mechanical	Advanced Diploma in Mechanical Engineering <a href="https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm">https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm</a>
Other	Relevant Discipline courses in <a href="https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm">https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm</a>
	The persons nominated by international professional or trade associations can also be accepted for assigning the membership grade
Outcome	Graduate (Technical) Member of SPE International NSW Australia Chapter-Grad Tech SPEInt
After having experience	Member ((Technical) of SPE International NSW Australia Chapter-MTechSPEInt

### Professional Diploma in Engineering (Level 3-Engineering/Professional)

<https://www.highlightcomputer.com/iqyadministration/iqyadministration.htm#F70>

Professional Diploma in Engineering	
Electrical	Professional Diploma in Engineering (Level 3)Engineering/Professional

	<a href="https://www.thespeukinternational.org/PDAustralia.htm">https://www.thespeukinternational.org/PDAustralia.htm</a>
Civil	Professional Diploma in Civil Engineering <a href="https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm">https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm</a>
Mechanical	Professional Diploma in Mechanical Engineering <a href="https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm">https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm</a>
Other	Relevant Discipline courses in <a href="https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm">https://www.iqytechnicalcollege.com/offeredcoursesEngg.htm</a>
Outcome	Graduate (Professional) Member of SPE International NSW Australia Chapter- Grad Prof SPEInt Bachelor of Engineering Degree to be awarded by IQY University / IPEM Technological University in alliance with The Institution of Professional Engineers Myanmar

**At SPE  
International  
Central  
Office Level**

After having experience	Member (Professional) of SPE International (Central Office) and Professional Engineer-MSPE Int PEng  The society of Professional Engineers International ( <a href="http://www.thespeukinternational.org">www.thespeukinternational.org</a> ) membership rules to be followed  Refer <a href="https://www.thespeukinternational.org/membershipinformation.htm">https://www.thespeukinternational.org/membershipinformation.htm</a>
-------------------------	--

Fellow of The Society of Professional Engineers International (FSPE Int) ,PEng

- Experience + nominated by affiliated international professional associations OR
- MSPEInt who completes the Graduate Diploma in Engineering Professional Development awarded by IPEMTU Degree College which is education service provider of SPE International or STC Technological University which is training service of SPE International
